

SHP WEB MASTER/PHOTOGRAPHER STUDENT RESUME INFORMATION SHEET 2017

Students who have been nominated for the Summer Honors Program Web Master/Photographer should develop a Resume of skills and qualifications. **This RESUME must be RECEIVED by Educational Service Unit #11 no later than 5:00 p.m. on Monday, March 6, 2017.**

Guidelines for Resume of Web Master/Photographer nominees:

1. Each student nominated must put together a resume describing his/her skills and qualifications for the SHP Web Master/Photographer positions.
2. The Resume should include information about yourself that would help Summer Honors Program staff decide "You are the one." Anything that might show leadership, motivation, computer or technology skills, list of computer programs that you may have experience in, etc. Anything that showcases your talents in school, the community, and/or at a work related experience.
3. The Resume does not have to follow any certain guidelines or be in any certain format. You might even include a list of skills and/or experiences and even include a paragraph or two describing, "Why you should be an SHP Web Master/Photographer."
4. The Nominee's name, school, home address and email address that you consistently use should appear on the resume.
5. The resumes will be judged on skills and qualifications.
6. The students whose resumes are judged to be of the highest quality may be selected for an interview and the two highest qualified persons will be selected as the Summer Honors Program Web Master/Photographer.

**You may email, (if your email is received you will receive a response)
mail, or hand deliver resumes to:**
