CPR in Schools Training Kit

The CPR in Schools Training Kit empowers students to learn the core skills of CPR in under 30 minutes, and it teaches AED skills and choking relief. The easy-to-use kit is designed specifically for the needs of school educators. It's portable, allowing for convenient movement from classroom to classroom and easy storage. It's also reusable. The CPR in Schools Training Kit was developed by the American Heart Association and incorporates the very latest science.
