

This year will look very different from years past. We at ESU 11 believe that it is important to hold this conference, so we thank you for your flexibility and patience with the change due to COVID restrictions. Teachers, you will be asked to participate in the first 2 sessions with your students and then will have your own session.

## Keynote Special Scoops Ice Cream Parlor

Special Scoops Ice Cream Parlor opened in 2019. It's goal is to give people with special needs a place to work and a sense of belonging. Currently, Special Scoops is home to 20 individuals with disabilities. They have 30 flavors of hard ice cream in their shop. They serve 8 flavors at a time and have a flavor of the month. Donna Bieck, the brains behind Special Scoops, is currently working on a dairy-free option as well!
